

Alumni Advancement Network Chapter Captain

<u>Purpose</u>

The Alumni Advancement Network (AAN) at The Summit is designed to promote loyalty, advocacy and involvement of Summit's alumni to generate a more personal commitment to the school. The AAN is also designed to engage alumni in the wider community through ongoing interactive communication. As we build a culture of philanthropy within The Summit community, we need to meet alumni where they are geographically and engage Summit alumni at a national level to build investment and involvement with the school.
