“The quality of a Summit education is measured not only by what one accomplishes, but also by the character of life to which one aspires.”

THE JOURNEY

For more than a century, the youth of Cincinnati have been offered a superior education rooted in the characteristics, values and activities of a Notre Dame learning community. From the founding of the Academy of Our Lady of Cincinnati, to the emergence of The Summit Country Day School, to the Summit of the 21st century, the principles of the Sisters of Notre Dame are very much alive in our classrooms.

OUR COMMITMENT

Today's students are the beneficiaries of a remarkable heritage. The Summit community challenges every student, faculty and staff member to share fully the gifts that have been given to them by God; to grow in grace and wisdom; to develop spiritually, academically, physically, socially and artistically; and to become people of character who value and improve the world they inherit. This shared commitment is a bond that unites you with your fellow alumni throughout your lifetime.

YOUR LEGACY

By joining The Cornerstone Heritage Society, you can ensure that The Summit will continue to educate students of character and conviction, fulfilling the legacy of the Sisters of Notre Dame. By informing us of your intentions, it is our pleasure to welcome you into this distinguished group of supporters who are committed to providing students with a strong, independent Catholic education for generations to come.
