

# The Summit Country Day Covid-19 and Illness Protocol

## What to do if your child is ill:

- Keep students at home if they are feeling sick.
- Students with a temperature of 100F may not attend school. Student must be fever free for 24 hours without the use of fever reducing medicine before they may return to school.
- Students with gastrointestinal illness (vomiting and diarrhea) may not return to school until they have gone 24 hours without an episode of either symptom.
- For any symptom (headache, fever, fatigue, gastrointestinal, cold symptoms, and/or sore throat) development after a known Covid-19 exposure, student must remain at home and may return to school with a negative test conducted after 48 hours of symptom onset and with adherence to the Mask to Stay policy stated below.

**\*The school nurse, on a case-by-case basis, will determine when each student may safely return to in person learning.**

## Testing:

- Please notify school nurse if your student tests positive for Covid-19, Flu, Strep or other communicable illnesses to help assist in monitoring for disease spread.
- Email: [summithealth@summitcds.org](mailto:summithealth@summitcds.org); School phone: (513) 871-4700 x263
- For Covid-19 testing, the school is able to administer the test on site, please reach out to the school nurse. All other testing needs to be conducted through your health care provider.

## Exposure to Covid-19-*All students regardless of vaccination status*

### Mask to stay

- Wear a mask for 10 days from date of exposure.
- Masking can discontinue after day 5 with a negative test.
- Asymptomatic students may continue to attend practices and games.
- If symptoms develop, begin isolation, and get tested 48 hours after symptom onset.
- Students who have had a positive Covid-19 test within 90 days of exposure are not required to mask or test unless symptoms develop.
- Montessori and Toddler:
  - Please contact the school nurse. Safe return to school will be determined on a case by case basis.
