

THE SUMMIT  
COUNTRY DAY SCHOOL

## Lower School Technology Teacher

### Overview:

The Summit Country Day School is a nationally recognized leader in character education and offers a compelling combination of small classes, caring faculty, academic rigor, and strong spiritual values. For more than a century, The Summit has maintained a proud legacy of excellence in independent, Catholic education. We offer coeducational learning experience to students from Montessori 18 months through grade 12. The Summit is a place where values are affirmed, young minds are enriched, and dreams take flight. Learn more at [www.summitcds.org](http://www.summitcds.org).

As a teacher within The Summit Country Day's Lower School, the **Technology Teacher** reports to the Lower School & Middle School Director. The selected individual will engage students in high quality learning experiences, such as introducing those students to coding, internet safety, 3-D printing, and their Summit Microsoft accounts. This person will also be actively engaged in providing IT instruction that is grade appropriate across the curriculum program.

\*\*For 2021-2022 Academic Year\*\*
